

POLICIES

Adopted by the Board December 7, 2004: “The books containing the official Minutes of the Board and Membership Meetings of the Association shall be available for inspection at the office of the Association. They shall not be taken from the office for review.

Any Officer, Director or the Association Manager may act as the designated representative of the Association to be present during an inspection of the Minutes. There shall be a charge of \$0.50 per page for any copies. In addition, costs of mailing copies of Minutes shall also be charged to requesting Members of the Association.”

Adopted by the Board February 14, 2005: “The Board of Directors recognizes the right of any member of the Association to tape any of its meetings or those of the membership as a whole. However, it is hereby required that notice of such intent be received by the Board 48 hours in advance of said meetings. If such notice is received, the posted Notice of the meeting will be revised and highlighted to so indicate. In the absence of such advance notice, no taping/recording will be permitted.”
